WILLING TO SHARE HIS PROFITS

Allen Michael Is One of the Few Who Think It Worth While to Divide With the Public.

Is there anyone in Chariton County who doesn't know him? There may be a few, but they're a very small percentage of this county's population. Mr. Michael has been blessed with a goodly portion of this world's goods. He not only owns a nice 300-acre farm near here, but also one of the finest homes in Keytesville. His prosperity, however, has not made him forget his friends and neighbors. He's glad to share with others his profitable experience with Doan's Kidney Pills.

Mr. Michael says: "A few years ago I had a bad attack of kidney trouble. I think it came on through being exposed to damp weather. My back was lame and sore and every time I moved a sharp pain shot through me. When I stooped or lifted anything my back used to cause me a lot of trouble. I was often dizzy and my sight was blurred. Little black specks seemed to float before my eyes and the kidney secretions were scanty and highly colored and too frequent in passage. I read in the paper how Doan's Kidney Pills were helping other people and I started using them. A few boxes fixed me up fine. I kept on using them and before long was entirely cured. 60c. at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y."
